

Reader with AudioMinder™

Eye-Pal ROL **R**eads **O**ut **L**oud printed material for the visually impaired. ROL's revolutionary design delivers unprecedented **portability, comfort and convenience**. ROL incorporates ABiSee's exclusive AudioMinder technology, making it the only reader that is also a constant companion to assist you with your daily schedule.

READS EVEN THE MOST DIFFICULT TYPES OF TEXT

- Glossy Magazines
- Fine Print
- Pill Bottle Labels
- Product Packaging
- Restaurant Menus

INNOVATIVE ALL-IN-ONE DESIGN

- Fits naturally in your hands.
- Two HD auto-focus cameras uniquely integrated into ROL's body—no camera arms to worry about.
- Ergonomic, built-in thumbwheels and tactile controls provide full reader functionality—no keypad needed.

AUDIOMINDER DAILY ACTIVITY ASSISTANT

Always ready to assist you:

- Alarm clock gently wakes you up.
- Audio calendar reminds you to take your daily medicine or that you have a birthday party to attend.
- Audio notepad helps you to remember important things that need to be done.

Only 3.5 lbs.!

AS EASY TO CARRY AROUND AS A BOOK

- Compact and ultra light
- Runs on battery or AC power
- Convenient fold-out handle
- Use it anywhere you go:
 - Family and friends
 - Doctor's office
 - Grocery store:
 - Audio notepad remembers and plays back shopping list.
 - Kitchen:
 - Reads recipes and frees up both hands for cooking.

Simplicity, Portability and Comfort at your Fingertips

**Listen to your saved books anywhere -
in your favorite chair or sofa**

**Intuitive to use -
one button scan and listen**
