iVeO®

IVEO Hands-on-Learning System
Learning Through Touch, Sound and Sight

Universal Teaching System
—Makes learning fun and interactive!

Increase understanding with touch, sound and sight combined
Utilize some or all three learning modalities to learn faster and retain information longer.

Make learning more engaging and inclusive
Include sounds, speech and links in objects to stimulate learning.

Scale documents to any size
Zoom in or out for more or less detail
—reprinted overlay automatically adjusts to new view*

Create your own IVEO documents using the built-in conversion tools or use the comprehensive, pre-made curriculum available at www.viewplus.com.
Try out the curriculum today and begin learning with IVEO!

daisy **NEW**

Now you can access images directly in a DAISY book!

The latest EasyReader from Dolphin works with IVEO to provide fully accessible graphics!

"France"

* Emprint SpotDot (shown above) prints/embosses up to 9 inches wide—use Tiger Pro or Max for larger documents as shown on the 11"x14" document to the right.
